STEPS FOR ORDERING

1

Visit [CreateMyTee.com/GOTR](https://www.CreateMyTee.com/GOTR) for complete ordering info, FAQ, and more.

2

On the above page, click the orange "Start a New GOTR Program Shirt Order" button to initiate a new order. We recommend and prefer you do this as far in advance as possible. Your order will simply remain in your account while you work with your artist to perfect the artwork and your project manager to plan the timeline. You may initiate multiple separate orders for a season for scenarios such as ordering coach shirts earlier than participant shirts.

3

When ready, click "Check Out" in the Art Center to begin the process of entering (or uploading from Pinwheel) final quantities, confirming order details, and selecting your payment method.

4

Once you complete checkout, your order will be sent to our print team. You'll receive an e-mail with tracking info as soon as your order ships.

5

Open your order as soon as it arrives to ensure it is correct. This will allow time should a correction be needed. Contact your project manager via the Art Center, phone, or e-mail should any problems arise.

CUSTOM BACK PRINTING

CreateMyTee can print custom back artwork (including words such as "COACH," sponsor logos, or other art). Please provide sponsor logos in the acceptable formats or a \$15 conversion charge per logo will apply.

ACCEPTABLE FORMATS (VECTOR ART)

- EPS
- AI (Adobe Illustrator)
- SVG

FORMATS NEEDING CONVERSION (RASTER/PIXEL ART)

- JPEG, GIF, TIFF or BMP
- Logos or images from the internet

Art and logos may be uploaded via your order's Art Center once your order has been created. You only need to upload logos once per order.

CreateMyTee can reuse art, including logos, from previous seasons. This will save your artist time and avoid any file conversion fees!

YOUTH SMALL & BACK ART WIDTH LIMITATION

You may elect to offer Youth Small sizes on Program and Heart & Sole Shirts.

IMPORTANT: if you include Youth Small, your back art will be limited to 10" in total width for all sizes, youth and adult. If you exclude Youth Small, your back art may be up to 12" wide. Please take this into account as some councils have found back art and logos to be a bit small due to the Youth Small 10" width limitation.
