STEPS FOR ORDERING

1

Visit [CreateMyTee.com/GOTR](https://www.CreateMyTee.com/GOTR) for complete ordering info, FAQ, and more.

2

On the above page, click the orange "Start New Camp Shirt Order" button to initiate a new order. We recommend and prefer you do this as far in advance as possible. Your order will simply remain in your account while you work with your artist to perfect the artwork and your project manager to plan the timeline. You may initiate multiple separate orders for a season for scenarios such as ordering coach shirts earlier than participant shirts.

3

When ready, click "Check Out" in the Art Center to begin the process of entering final quantities, confirming order details, and selecting your payment method.

4

Once you complete checkout, your order will be sent to our print team. You'll receive an e-mail as with tracking info as soon as your order ships.

5

Open your order as soon as it arrives to ensure it is correct. This will allow time should a correction be needed. Contact your project manager via the Art Center, phone, or e-mail should any problems arise.

CUSTOM BACK PRINTING

CreateMyTee can print custom back artwork (including words such as "COACH," sponsor logos, or other art) on your shirts as indicated in the pricing table. Please provide sponsor logos in the acceptable formats or a \$15 charge per logo will apply.

ACCEPTABLE FORMATS (VECTOR ART)

- EPS
- AI (Adobe Illustrator)
- SVG

UNACCEPTABLE FORMATS (RASTER/PIXEL ART)

- JPEG, GIF, TIFF or BMP
- Logos or images from the internet

Art and logos may be uploaded via your order's Art Center, available once your order has been created. You only need to upload logos once, not on every item in the order.

CreateMyTee artists can reuse art, including sponsor logos, from your previous orders. Simply indicate which logos should be reused when setting up your order in the portal. This will save your artist time and avoid any file conversion fees!
